

Walsall Childminding Hub

Indoor Bouncy Castle Risk Assessment

Address: St. Matthew's Centre, St. Matthew's Close, Walsall WS1 3DG

This risk assessment outlines the control measures in place to ensure the safe use of the indoor bouncy castle by children attending Walsall Childminding Hub.

Hazard	Potential Risk	Control Measures	Risk Level
Overcrowding	Collisions and falls	Maximum of 4 children on the indoor bouncy castle at one time.	Medium
Rough play	Injury	No pushing, wrestling or flips allowed. Safe behaviour expected.	Medium
Slips when entering/exiting	Trips and falls	Children enter and exit one at a time. Shoes, jewellery and sharp objects removed.	Low
Lack of supervision	Accidents	An adult supervises the bouncy castle at all times.	Low
Mixed ages/sizes	Smaller children knocked over	Children grouped by similar age and size where possible.	Medium
Indoor obstacles	Impact with walls or furniture	Bouncy castle positioned away from walls, furniture and other obstacles.	Low
Damaged equipment	Injury	Equipment inspected before every use. Damaged equipment removed from use immediately.	Low

Safety Rules

- Maximum of 4 children on the bouncy castle at any one time.
- Adult supervision is required at all times.
- No food, drinks, shoes or sharp objects on the bouncy castle.
- Stop bouncing immediately if someone falls until they are standing safely.

Overall Risk Rating: Low when control measures are followed.
